THE OIL EXCURSION. Its Continuance and Completion. The Reno Oil Company. Mr. Culver's Plan for Organizing It.

Correspondence of the Cleveland LEADER.]

Upon Wednesday evening, after the conto "Hon. C. V. Culver, our honorable and capital representative in Congress", were enthusiastically applauded. Mr. Culver being absent, Mr. L. H. Culver, of New being absent, Mr. L. H. Culver, of New been ably seconded by Messrs. wenge, and all color and class legislation | capital representative in Congress", were

The party having been comfortably quartered for the night were called up at n early hour and obeyed the order "to orse" with becoming promptness. The rain had fallen almost uninterruptedly during the night and the mental contem plation of the fourteen miles to be travel ed was not encouraging. Still each member of the company looked upon the unfavorable weather as one of the ordinary incidents of a trip through the oil region, Pithole City and observing the peculiarities of this city, which has yet to celebrate ties of this city, which has yet to celebrate grovides, (Art. II, Sec. 19,) that: "No leenstor or Representative shall, during the term for which has shall have been lected, or for one year thereafter, be applicated, or for one year thereafter, be applicated, or for one year thereafter, be applicated to any civil office under this State, our way down Cherry Run to Rouseville, and the state of this city, which has yet to celebrate that is greater than ever. We have had several marked recognitions of the supremarked recognitions of the collection being \$40,000, that is Mr. Olds to reconsider his resignation, and road in Cleveland; in place of temporary he will discharge the duties of the office structures erected for temporary purposes,

Mr. With the consistent was prevented as a signature of the term.

It is proper to the prophilities being mean companies. As the property has the prophility being mean companies. As the property has the prophilities being mean companies. As the property has the following the property of the size of the control of the property has the property h

Isaac A. Isaac's Union Hall,

Clothing House,

Would announce to the public that he has a full line of Clothing of his own manufacture and of the best material, now on hand.

Particular attention is called to the manufacture and style of our work. We employ none but the best of Workmen, and use nothing but the best of Trimmings in each and every garment. Satisfied, from experience, that the people of this vicinity need nothing but first-class work, we therefore offer no Kastern slop shop goods to our customers, but everything of our own manufacture made and
